

2723 OLDE WHITEHALL ROAD CHARLOTTE NC 28273

Seeing is buying! You will love this home!

Convenient to center city and all major interstates.

Spacious, newly painted 1350 square foot 3-bedroom, 2-full bath, split-wing ranch with 12-foot ceilings, lots of storage, and finished double car garage. The house features a big, newly remodeled kitchen and master bath, as well as oak floors throughout.

Interior design is classic contemporary with lots of functional updates and many new and beautiful custom details: solid oak mantel over gas log fireplace, ceramic tile kitchen countertops with mosaic backsplash and enameled cast-iron sink, unique lighting, and architectural trim.

Outside, you will find a huge, open deck with built-in planters and a 1200-gallon koi pond and waterfall. Back yard is private and fenced—a great place for parties or just relaxing. And your friends will be impressed; the landscaping at 2723 Olde Whitehall is well-established and fabulous front and back.
